Onsite Testing

DEHS offers onsite testing at your facility with a minimum of 20 people. Please call Terri Bruington at (909) 387-3866 for information on how to schedule a testing date at your facility.

Compliance

San Bernardino County Code requires food workers to possess a valid, unexpired Certified Food Worker card within 14 days of employment. Employees who are not in compliance with County Code must obtain their certification immediately.

Fax copies of all Certified Food Worker cards for employees who were not in compliance at the time of your inspection to Terri Bruington at (909) 387-4323. Copies must be received within 14 days of the inspection.

Call 1-800-442-2283 for general information about the Certified Food Worker cards. Visit our web site at <http://www.sbcounty.gov/dehs>.
